

# Avondale Trails, Paths and Connections to Trails

*City Council Meeting  
January 21, 2020*

*Kirk Haines, Parks and Recreation Director*

**Avondale**

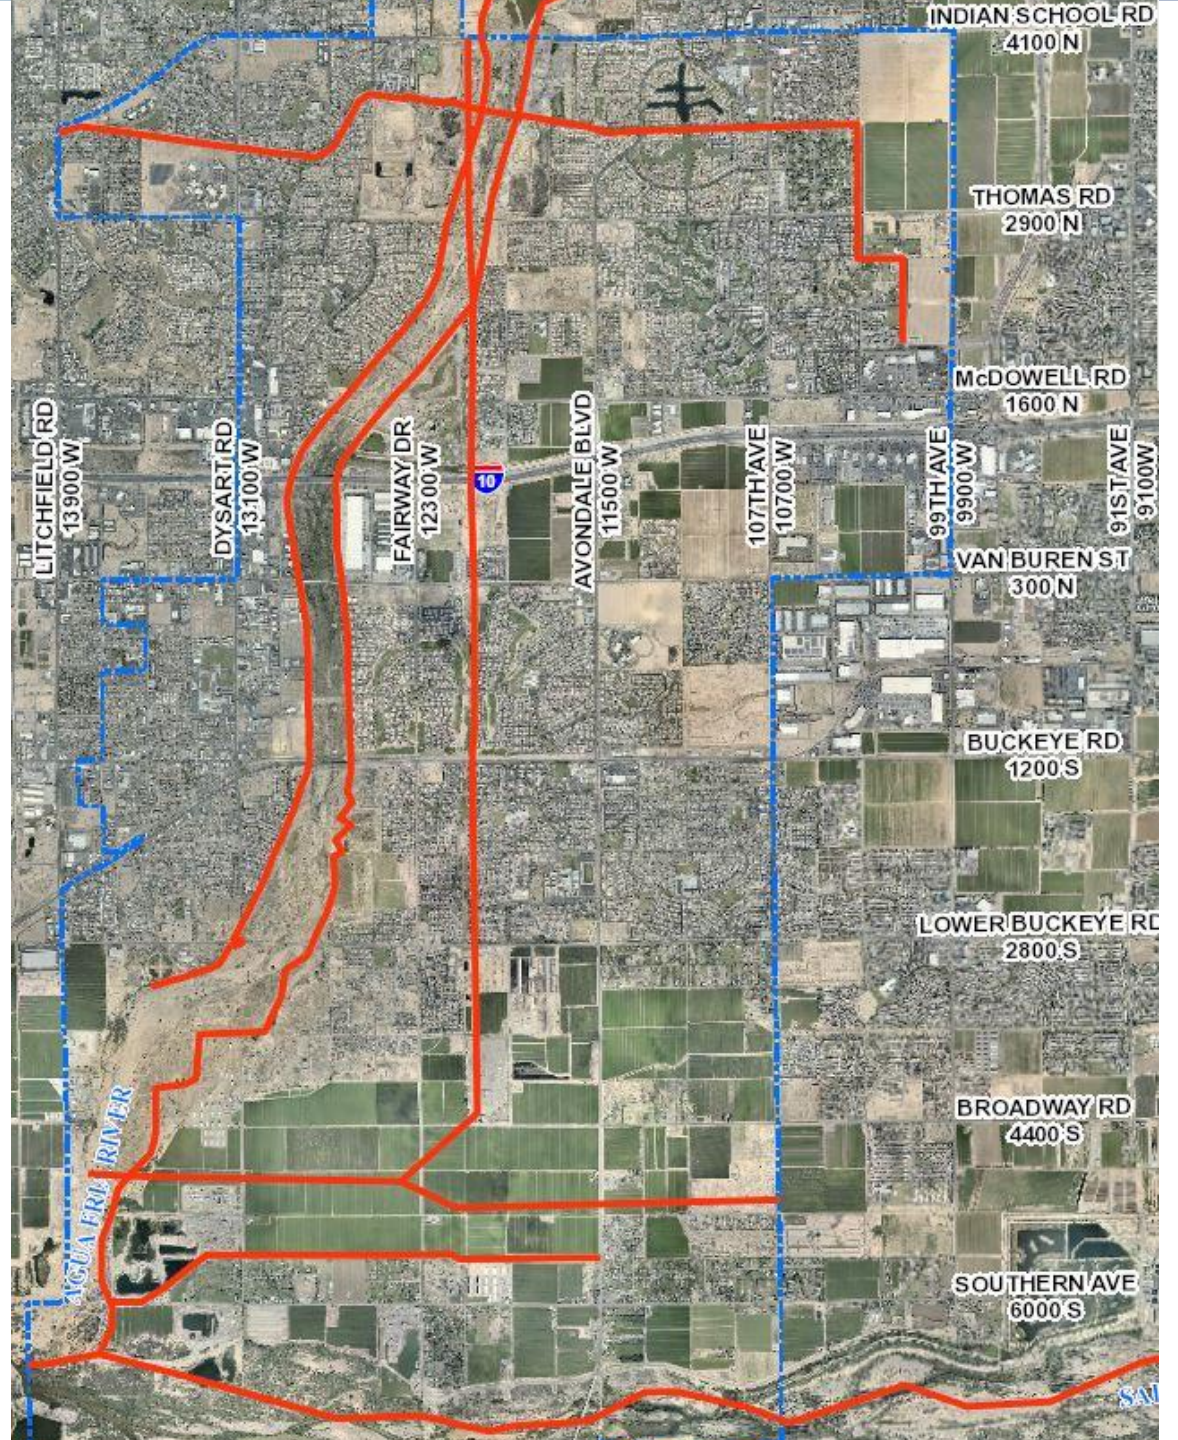

## **Purpose**

Staff will identify developed trails, paths and connections to the trail system, and discuss the City's plan to continue trails development and connections into the primary trail system over the next ten years.

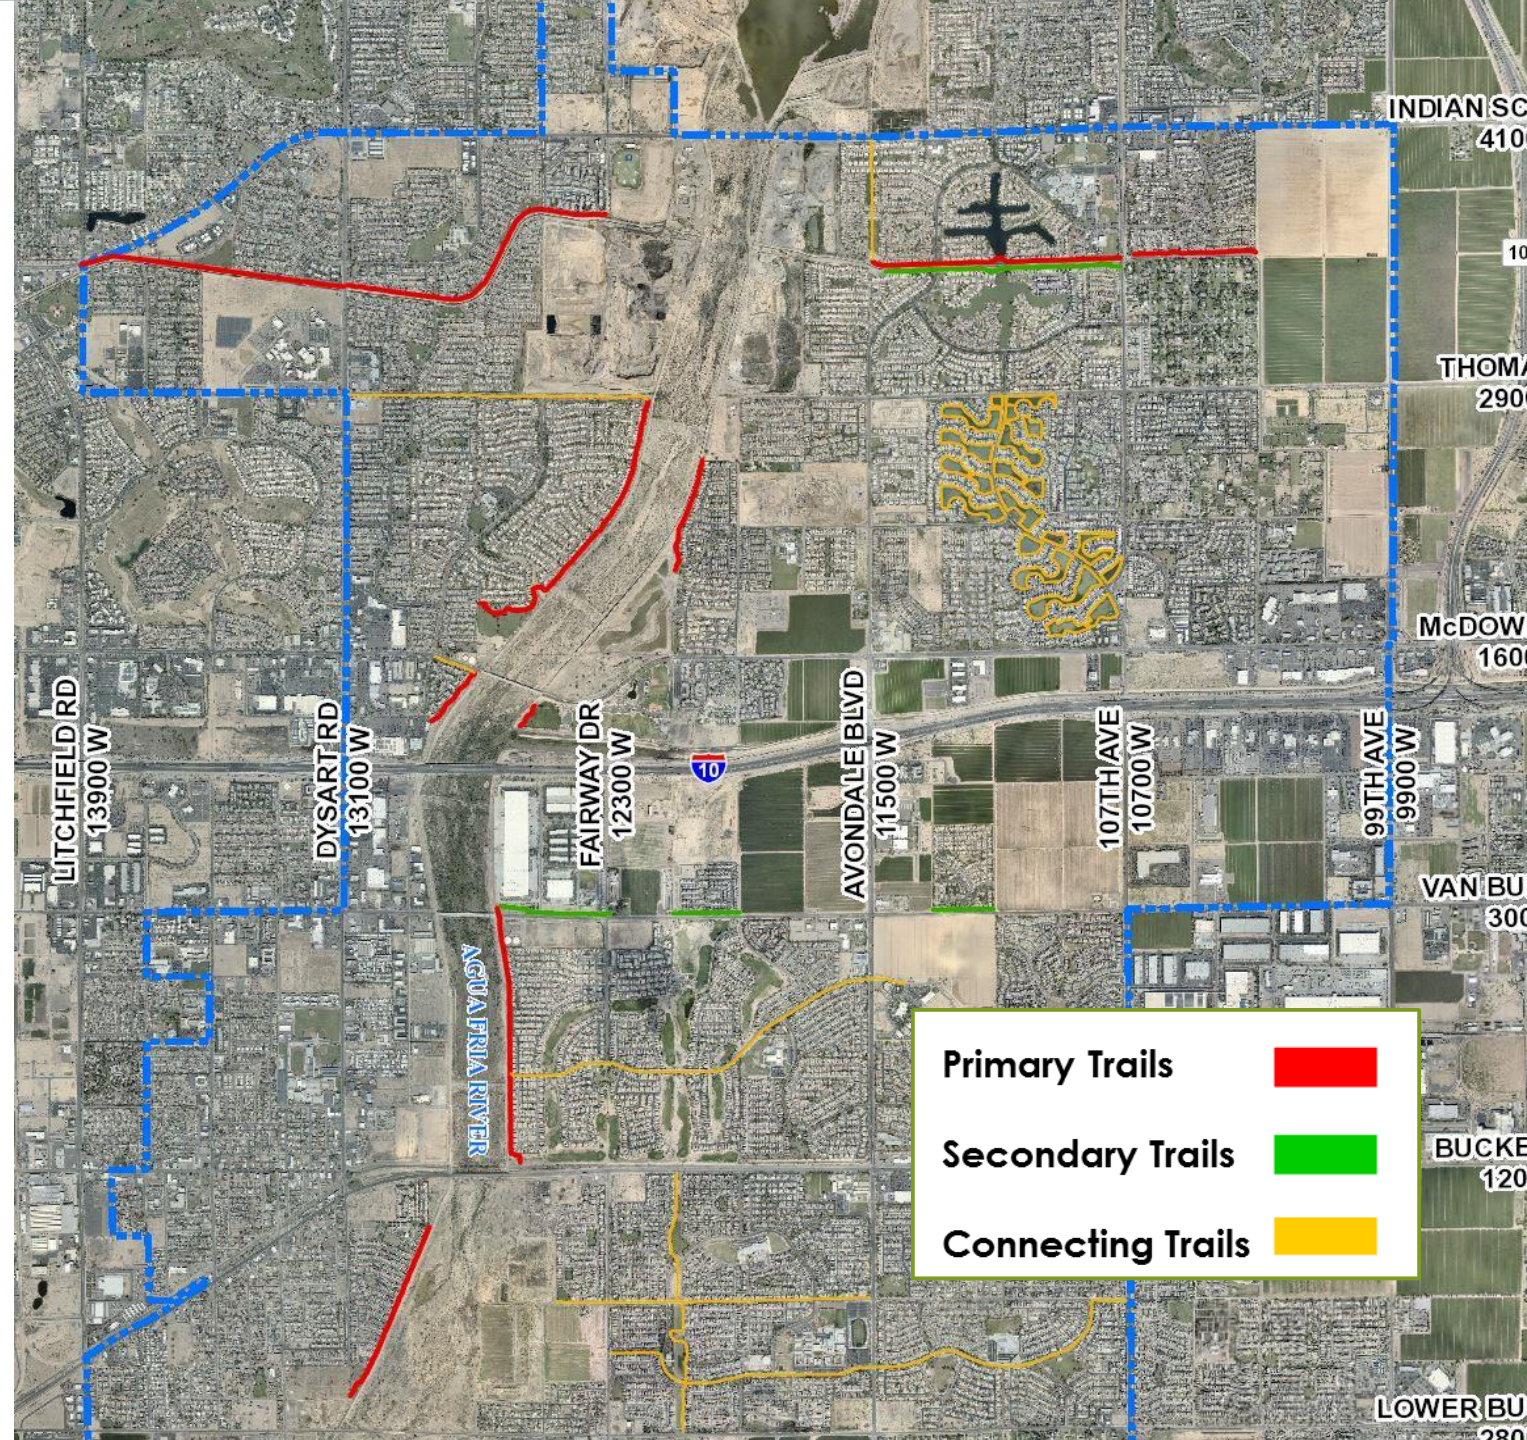

# Avondale Transportation Plan and Trails Master Plan – Primary Trails

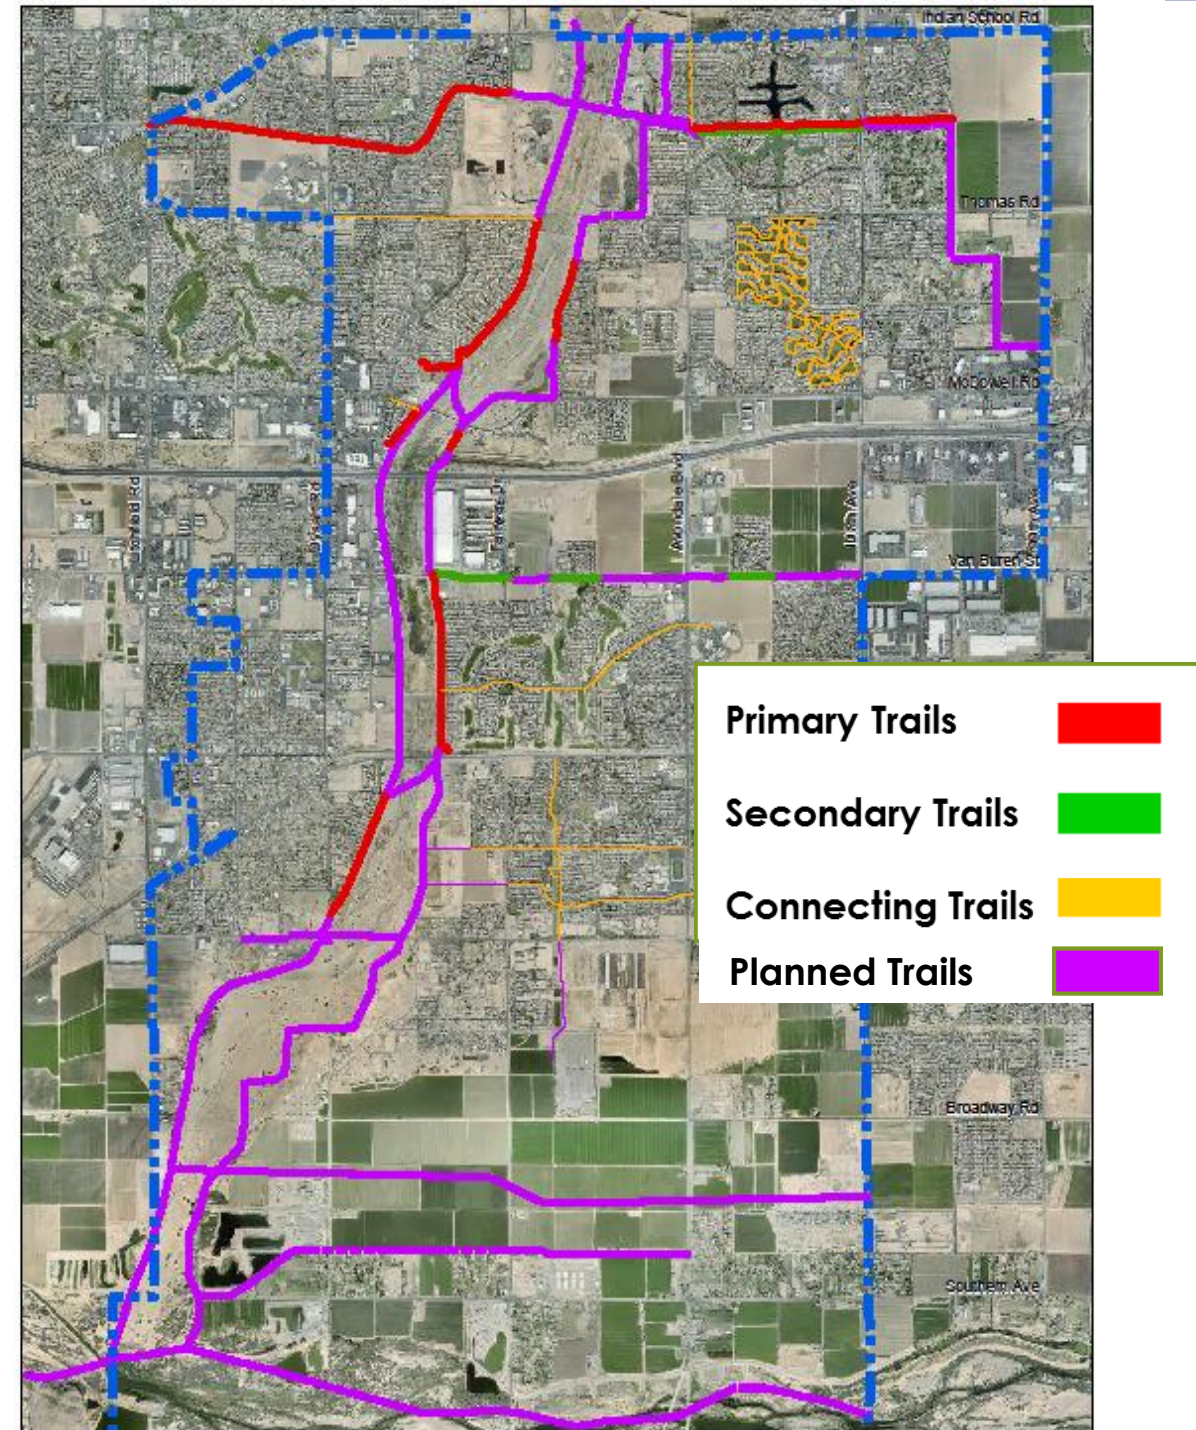

# Avondale existing trails, paths and connecting sidewalks

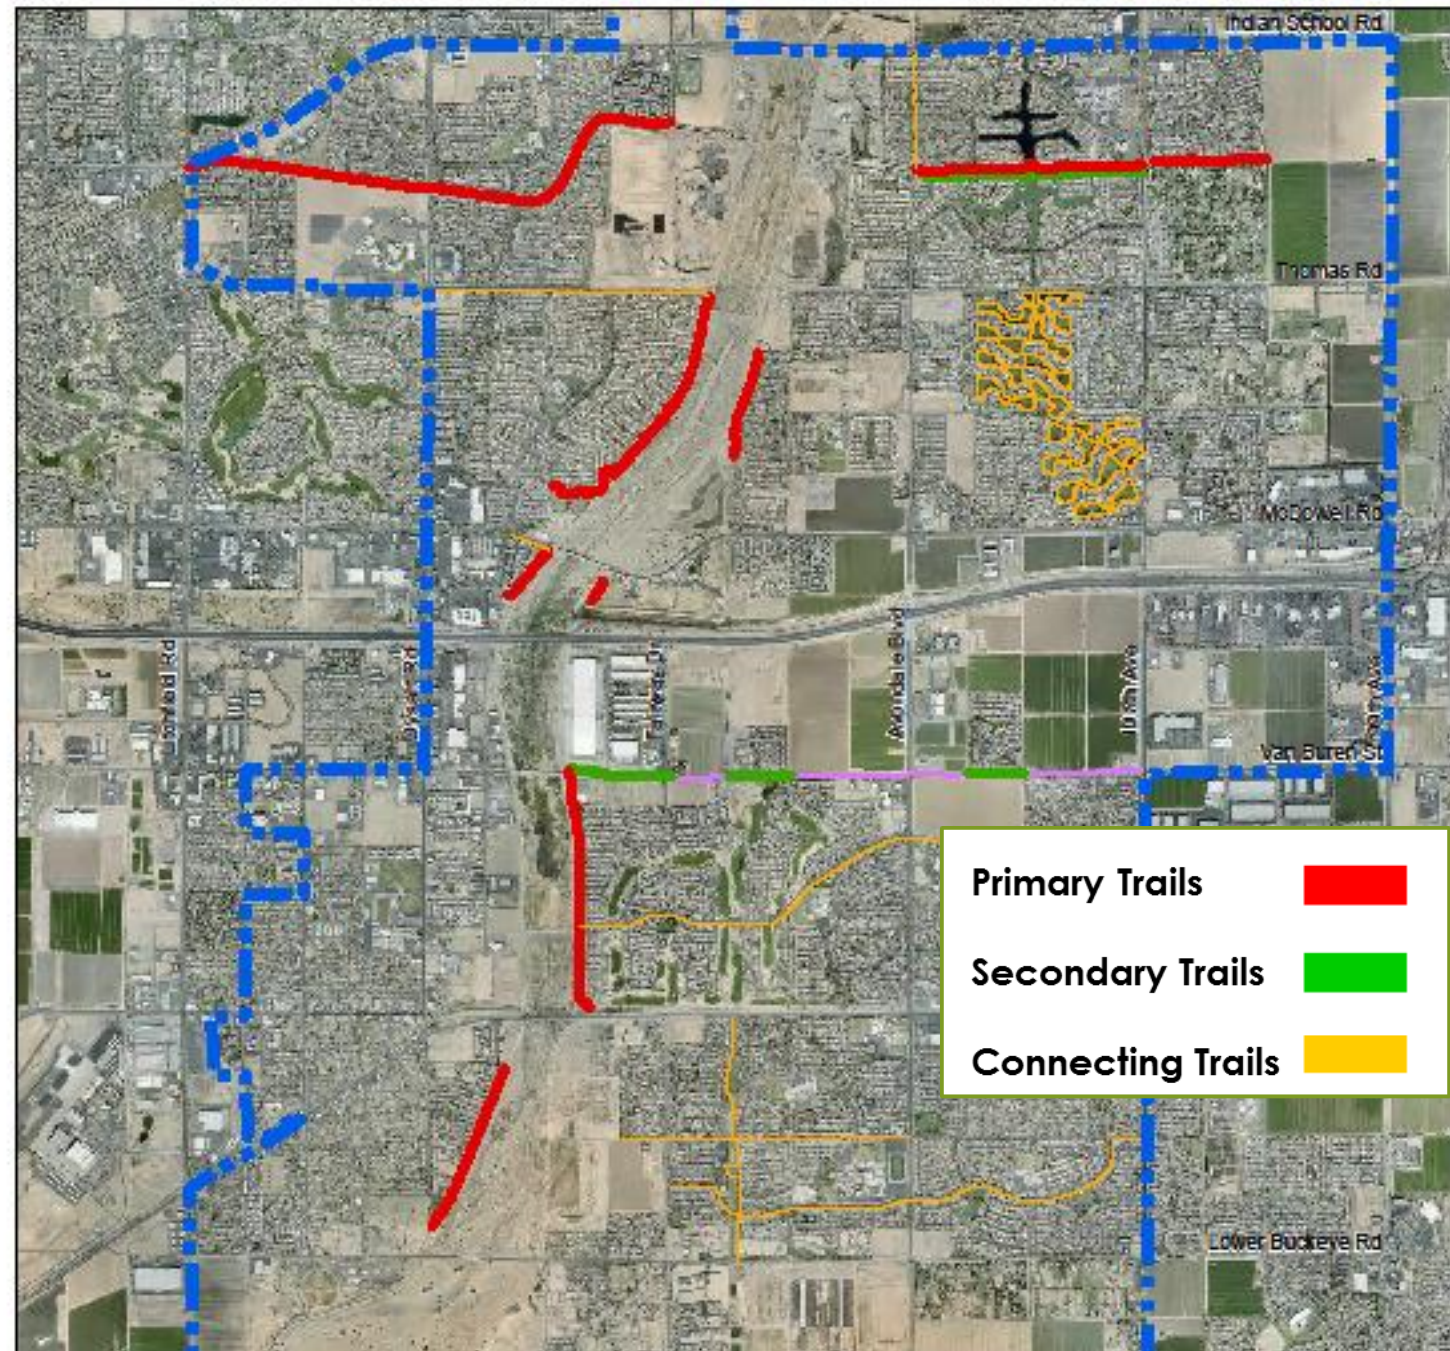

# Avondale trails, paths and connecting sidewalks – 10 Year Plan

# Avondale existing trails, and planned trails in 2020

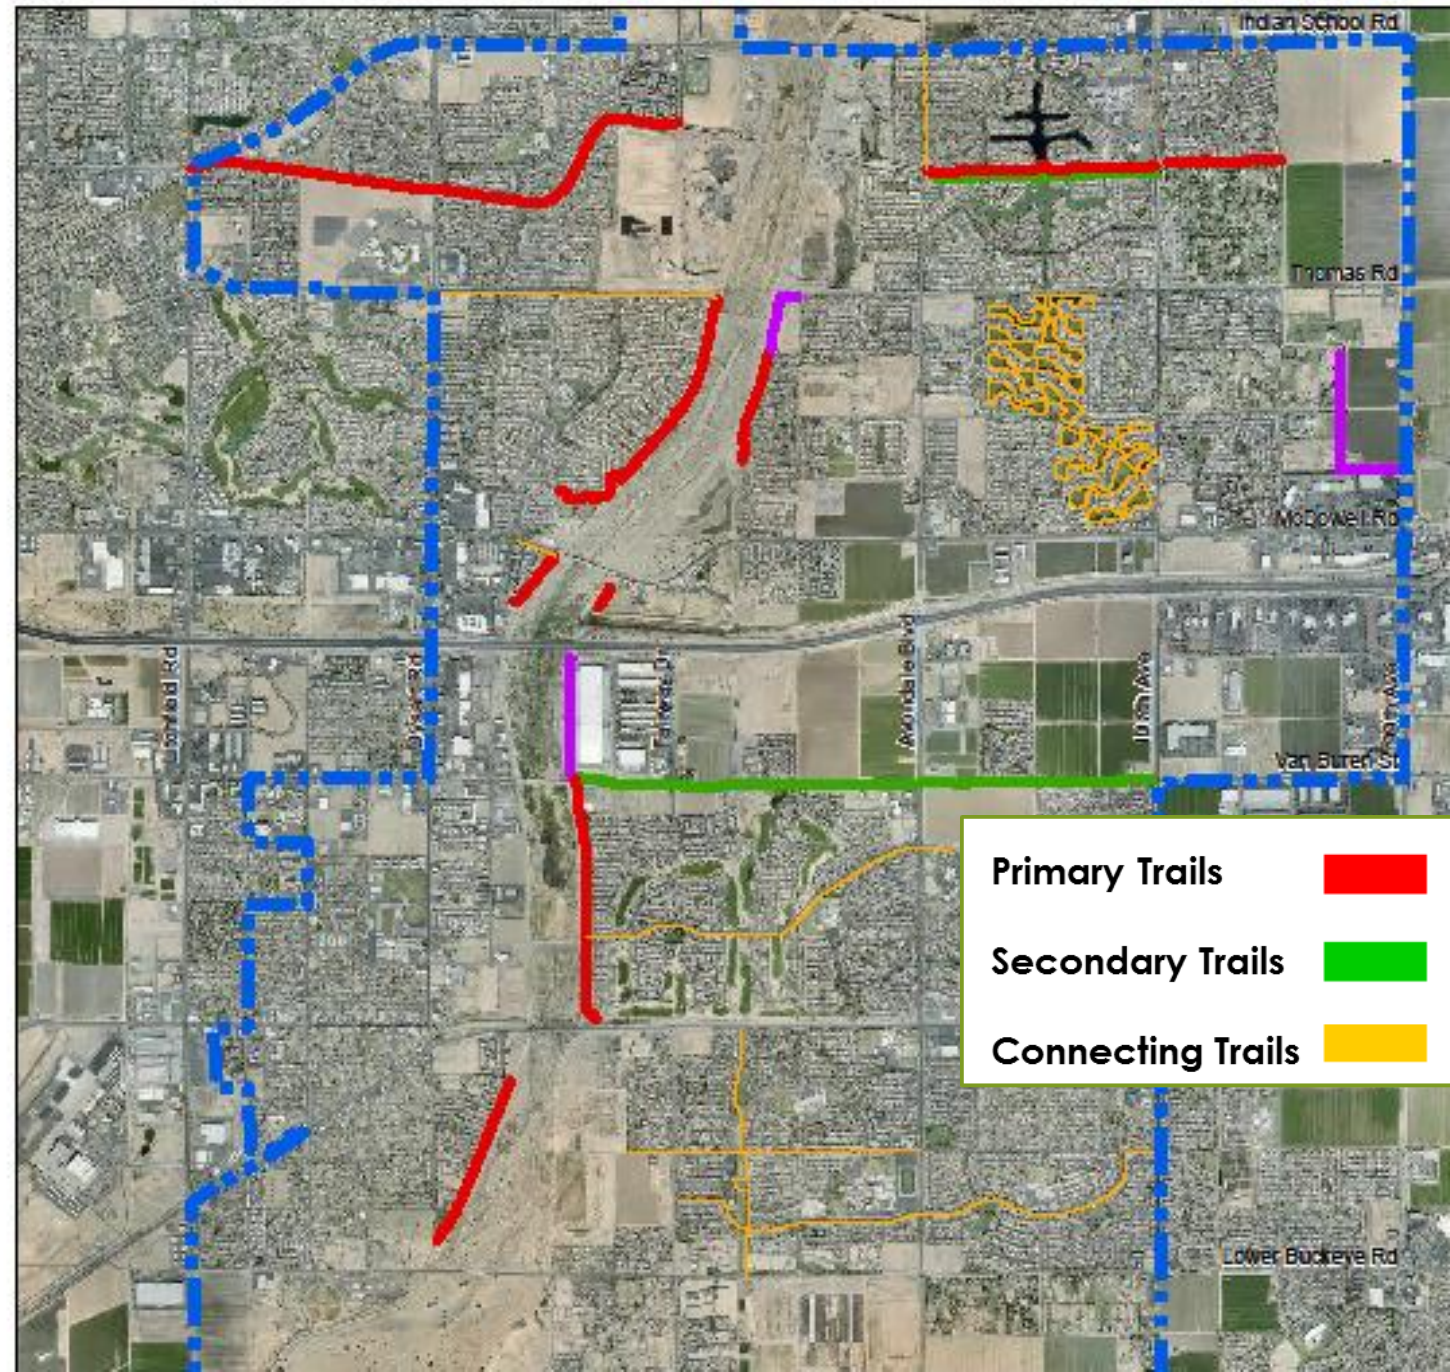

- Van Buren Multi Use Path - \$3.3M

# Avondale existing trails, and planned trails in 2021

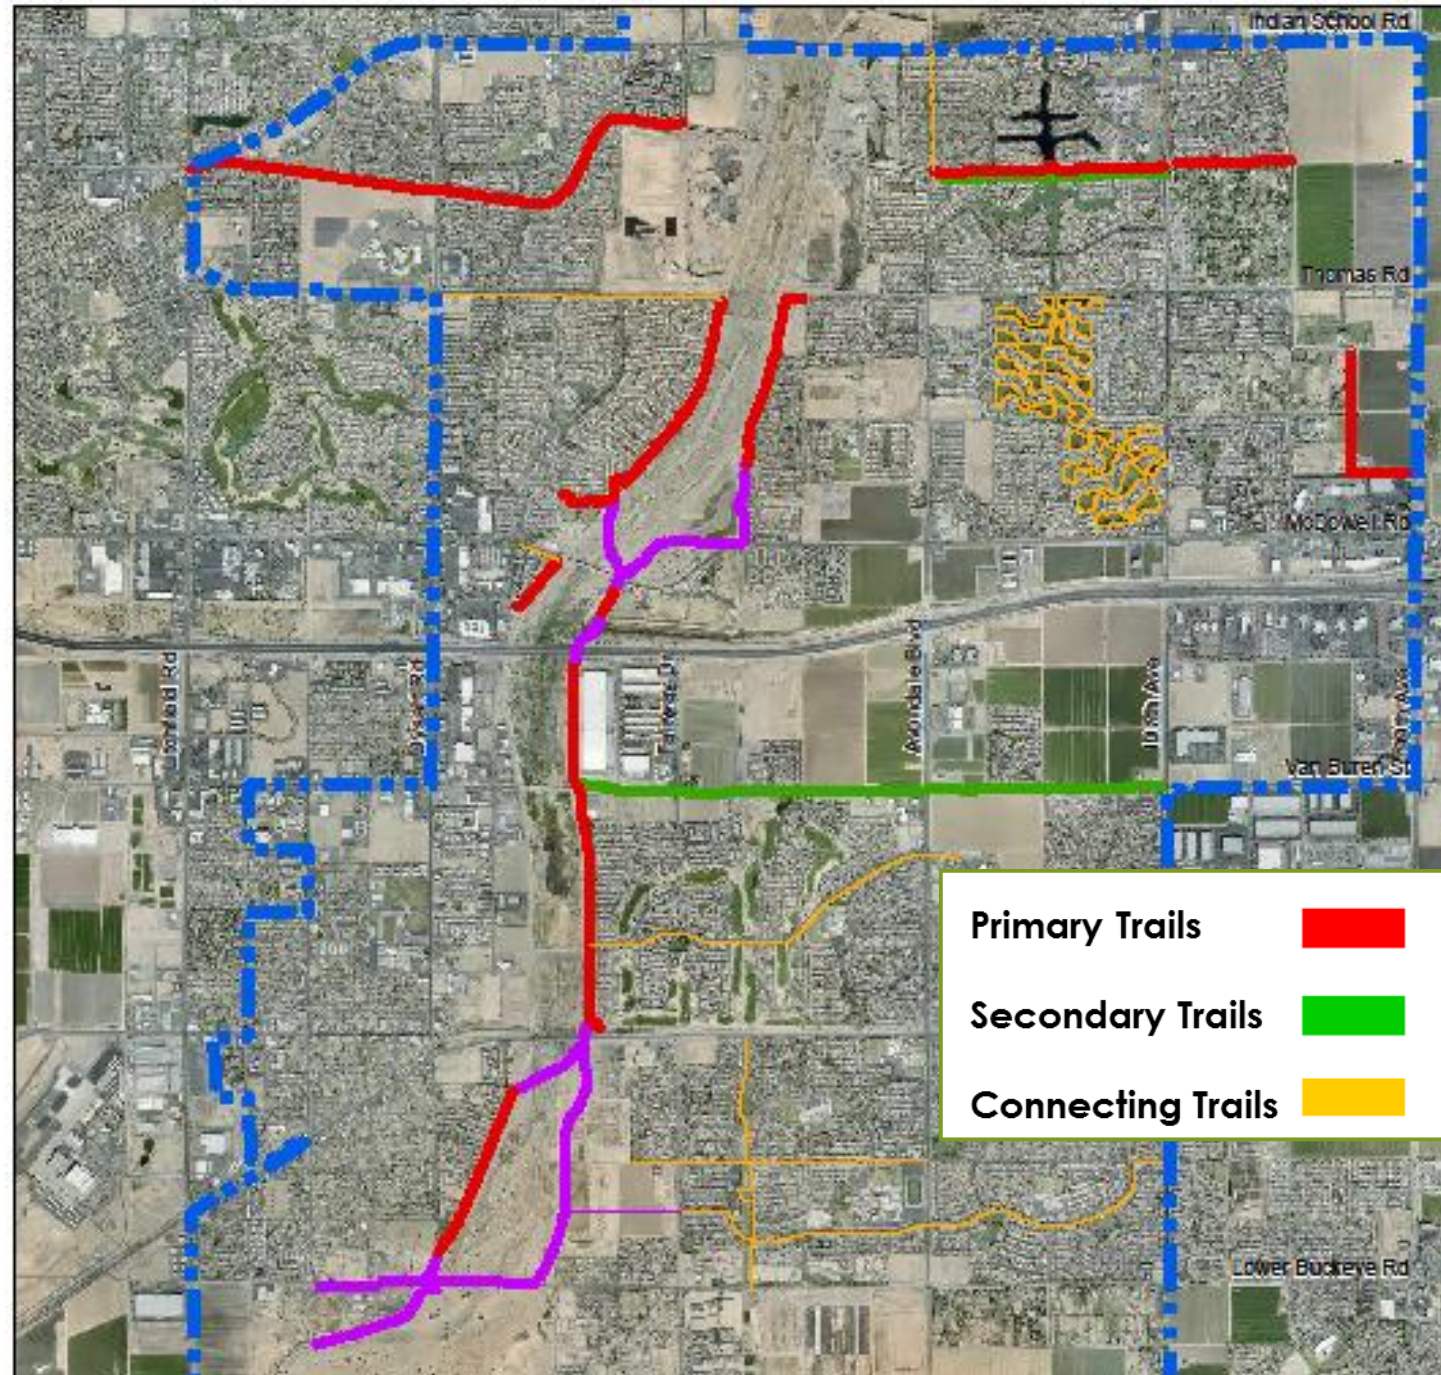

- Agua Fria Trail and Underpass at I-10 - \$2.5M

## Avondale existing trails, and planned trails in 2022 – 2025

- Agua Fria Trail Bridge over ADOT drainage channel - \$3.1M unfunded
